Cinmark Fourteen (Pty) Ltd t/a Just Engineering recognises that the disciplines of Safety, Health, Environmental, Risk and Quality Management are an integral part of its management function. The Organization views these as a primary responsibility and to be the key to good business in adopting appropriate standards.

The Organization's SHERQ policy calls for continuous improvement in its Management System and related activities and business will be conducted per the following principals:

We, Employer and Employee alike, will: -

- ✓ Comply with all applicable laws and regulations.
- ✓ Follow a concept of continuous improvement and make best use of its management resources in all matters regarding SHERQ.
- ✓ Communicate our SHERQ objectives and its performance against these objectives throughout the Organization and to interested parties.
- ✓ Train our staff in the needs and responsibilities of SHERQ management.
- ✓ Take due care to ensure that activities are safe for employees, associates, sub-contractors, public and the environment who may be directly or indirectly influenced and/or affected our operations.
- ✓ Work closely with our customers and suppliers to establish and thereafter maintain the highest possible standards.
- ✓ Adopt a forward-looking view on future business decisions which may have SHERQ related impacts.
